

Population Research Center (UZH PRC): Lunch Colloquium

prc@uzh.ch / www.prc.uzh.ch

Fall semester 2024, Tuesday, 12:00-13:00h

Program

- | | |
|--------------------|--|
| 24.09.2024 Zoom | Citizen Science: What motivates people to participate in research? Olivia Höhener (Citizen Science Zürich, University of Zurich and ETH Zurich) |
| 22.10.2024 Zoom | Challenges in Predicting Re-hospitalization in the Cardiology Unit Prof. Ulrike Held (Department of Biostatistics, Epidemiology, Biostatistics and Prevention Institute) |
| 12.11.2024 Zoom | Youth-to-parent aggression in adolescence and young adulthood: a population-based cohort study Dr. Laura Bechtiger (Clinical and Developmental Psychology, Department of Psychology) |
| 26.11.2024 Zoom | Mobilise-D: Development and validation of digital mobility outcomes to assess real world walking in people with chronic diseases PD Dr. Anja Frei (Department of Epidemiology, Epidemiology, Biostatistics and Prevention Institute) |
| 10.12.2024 Zoom | Supratemporal population health: On the benefits of putting recent trends into a medium and longer-term context PD Dr. Kaspar Staub (Anthropometrics & Historical Epidemiology, Institute of Evolutionary Medicine (IEM)) |

Description

The PRC Lunch Colloquium brings together population-based researchers from various faculties and disciplines. It is designed to foster interdisciplinary collaboration, facilitate knowledge exchange, and strengthen ties within the population-based research community.

The PRC Lunch Colloquium is open to researchers and students from the University of Zurich and beyond, who are interested in population-based research and its interdisciplinary applications.

The colloquium is regularly held on Tuesdays via Zoom. Presentations are expected to last about 20 minutes, followed by a 40-minute Q&A session. All attendees, including PRC members and external participants, are encouraged to actively participate in the Q&A.

Goals

- Provide an opportunity for researchers to learn about the cutting-edge work being conducted within the PRC.
- Offer a platform for researchers to receive feedback on their work from an interdisciplinary audience.
- Encourage interdisciplinary dialogue and the exchange of ideas.
- Enhance knowledge and expertise in the field of population-based research.
- Foster a strong sense of community and collaboration among PRC members.

Location

Sessions are either in person (location TBD, with hybrid option) or online.
