Population Research Center (UZH PRC): Lunch Colloquium

prc@uzh.ch / www.prc.uzh.ch

Spring semester 2024, Tuesday, 12:00-13:00h

Program

30.01.2024  Application of speech-to-text in population research – Kick-off for a community-designed pilot study (powered by the Talk2UZH lab)
Prof. Viktor von Wyl (Institute for Implementation Science in Health Care)

27.02.2024  An Introduction to the Zurich Project on the Social Development from Childhood to Adulthood (z-proso)
Dr. Denis Ribeaud (Jacobs Center for Productive Youth Development)

12.03.2024  TBA
Dr. Angelina Maric (Department of Neurology, University Hospital Zurich)

26.03.2024  TBA
Prof. Bea Latal (University Children’s Hospital Zürich, Child Development Center)

09.04.2024  Leveraging large-scale language data to assess mental health in population research
Dr. Christina Haag (Institute for Implementation Science in Health Care)

28.05.2024  Enhancing the care for individuals experiencing mental health distress, illustrated through the CoLiPri project
Dr. Mariia Weber (Department of Psychology, Clinical Psychology and Psychotherapy Research)

11.06.2024  Mental health surveillance in Ukraine
Dr. Viktoriia Yasenok and Prof. Milo Puhan (Department of Epidemiology, Epidemiology, Biostatistics and Prevention Institute)
Description
The PRC Lunch Colloquium brings together population-based researchers from various faculties and disciplines. It is designed to foster interdisciplinary collaboration, facilitate knowledge exchange, and strengthen ties within the population-based research community.

The PRC Lunch Colloquium is open to researchers and students from the University of Zurich and beyond, who are interested in population-based research and its interdisciplinary applications.

The colloquium is regularly held on Tuesdays via Zoom. Presentations are expected to last about 20 minutes, followed by a 40-minute Q&A session. All attendees, including PRC members and external participants, are encouraged to actively participate in the Q&A.

Goals
- Provide an opportunity for researchers to learn about the cutting-edge work being conducted within the PRC.
- Offer a platform for researchers to receive feedback on their work from an interdisciplinary audience.
- Encourage interdisciplinary dialogue and the exchange of ideas.
- Enhance knowledge and expertise in the field of population-based research.
- Foster a strong sense of community and collaboration among PRC members.

Location
Sessions are either in person (location TBD, with hybrid option) or online.
